 Classification and Case Management Administrator/designee

I am appealing the custody assignment decision made by:

MCC T.R.U. CLASS TEAM & past Headquarters decision Team & now

Reason(s):

I Had Sexual Reassignment Bottom Surgery done on 5/23/24. I am a Full woman now with All working Female Genitals - Vagina. I Am Housed at T.R.U. a all male GP Housing w/ a state DOC prison, per DOC policy 490.700 & A.D.A. LAWS et al Reason of Rights And LAWS I Should Be Housed at WCCW, stated Reason By CLASS team is that I Refused SOTAP, I am not court ordered to SOTAP, I DO NOT need SOTAP now or later no court order maid! And I should not go to the W.S.R. prison, I should go to WCCW only. Thank you!

Reason(s):

It appears you are appealing your facility placement; per DOC policy 300.380, section VIII.B, facility placement decisions cannot be appealed. For the record, HCSC did not deny your transfer to WCCW due to your refusal to participate in SOTAP; your refusal is why you are limited to MI3 custody. It does not appear you are appealing your custody level above. If you are appealing your Housing Protocol decision from June 14, 2024, DOC policy 490.700, section VII.A.2 states you need to do so in writing to Secretary Cheryl Strange's office.

Comments/Recommendations

Submit/Review Name Date		Comments	Concur
07/18/2024	Reynolds, Alexandra M	<p>(Offender) White Eagle, Naomi was encouraged to attend FRMT; however, she invokes his right to waive his appearance. I am a full female and should be in the women's prison.</p> <p>(Counselor) White Eagle, Naomi is a MON offender out of Pierce/King County. With Snohomish being the county of origin. Current offense is cause AB/AC. PREA questions and reporting procedures were reviewed with no concerns noted. PREA score (PV) is cause for a monitoring plan. White Eagle, Naomi is directed to increase their interaction with staff, notify their Counselor of all requested bed moves, and report any and all sexually motivated interactions with any persons. White Eagle, Naomi is court ordered to complete substance abuse and mental health treatment programming. She is referred to bridges to life, SA Int Out-Pnt, T4C, and CBT. White Eagle, Naomi has a verified GED Diploma. She is not assigned to an education program. The most recent job screening gives an approval to work in all areas except maintenance, education, access assistant, isolated posts, and groundskeeper. This job screening will expire on 7/1/26. She currently works as a custodian. Last serious infraction is a WAC 714 on 2/12/24. Earned time is calculated. There are no felony warrants, facility holds, prohibited placements, and five offender keep separates. Separations have been reviewed and will remain unchanged. WA One, HRS/Triggers, and Personal Goals/Incentives were reviewed and updated as appropriate. Per Mental Health Hughs, "Ms. White Eagle is currently using mental health on a regular basis. She attends bi weekly appointments, and has good insight into her mental health. She is receiving GA care as well. I wanted to add an appropriate placement. I do not believe from a mental health standpoint that it is conducive to her mental health to remain in TRU. She has expressed concerns with not feeling safe anymore, she has increased mental health symptoms and it would be a more appropriate placement if she was placed in WSR, would be my recommendations. She has the ability to have her needs met there and it is a smaller population amongst that are as well as has another incarnated individual that recently was placed there following her gender feminization". No targets due to refusing to participate in crime related programing. Per Lisa Dandescu White Eagle is not amenable or willing to participate in crime related programming at any location. GCTP is in place and White Eagle is currently working on completing the objectives. On 1/10/24 she was transferred from AHCC to MCC-TRU on an RM1 override. Current custody assignment is Medium with 57 custody points. Recommend White Eagle, Naomi be promoted to MI3 custody on an HCR override and be retained at TRU.</p>	
07/18/2024	Browne, Kevin C	<p>(FRMT) FRMT: CUS Browne, CC2 Cardenas, CC2 Reynolds, Officer True, Sotap I/I White Eagle is expected to remain infraction free and take part in programming as assigned. FRMT concurs with counselor recommendation to promote to mi3 custody on an HCR and but to refer to HQ classification for transfer to WSR if appropriate. I/I White Eagle would like to transfer to WCCW, however that is currently not an option. RGCTP is currently in effect but she is not eligible for restoration at this time. Mental Health believes that WSR 3A would be a more</p>	Yes

appropriate facility due to the lower numbers. No targets at this time due to not participating in SOTAP.

07/24/2024	O'Connor, Leslie E	Recommend maintain MI3 custody (HCR) and transfer to MCC-WSRU for no more than six months due to medical needs per discussion with local HSM. Local IIU report no concerns with WSRU placement in 3A.	Yes
